AFFIDAVIT

Being duly sworn, I declare that the following is true and correct to the best of my knowledge:

On July 26, 2022, the Frio County Sheriff's Office received a 911 call from a concerned citizen regarding a two-car accident on Farm to Market 140, near Pearsall, Texas, in the Western District of Texas. Frio County Deputies responded to the accident location and located Bryan Josue VILLANUEVA Hernandez. Thereafter, Texas Department of Public Safety (DPS) Troopers responded and interviewed a concerned citizen who identified Bryan Josue VILLANUEVA Hernandez as the driver of the maroon Nissan Pathfinder, one of the vehicles involved in the accident. The concerned citizen observed VILLANUEVA exit the maroon Nissan Pathfinder and bang on the windows. In addition, the concerned citizen observed VILLANUEVA leave the location of the rollover accident. DPS Troopers detained VILLANUEVA, and four passengers were identified to have been in the vehicle. DPS Troopers suspected it was a human smuggling scheme.

Homeland Security Investigations (HSI) Special Agents (SA) were notified of the rollover and responded to Pearsall, Texas. DPS Troopers identified the four individuals that were being smuggled by VILLANUEVA, of which three were transported to the hospital and one was identified as deceased. DPS Troopers provided HSI with foreign identifications for the passengers. HSI responded to local hospitals and was able to interview one of the passengers, who admitted to being an Undocumented Individual (UI) who entered the United States illegally as part of a human smuggling scheme.

HSI Agents interviewed VILLANUEVA and advised him of his Miranda Rights in the Spanish language. VILLANUEVA waived his rights and agreed to answer the agents' questions without the presence of an attorney.

VILLANUEVA admitted that he was hired to pick up the UIs in a borrowed vehicle and stated that he was going to be paid \$1000 US dollars per person he would pick up and transport to Houston, Texas. VILLANUEVA admitted that he traveled from Houston, Texas, to Uvalde, Texas, and picked up the four UIs in the brush. Additionally, VILLANUEVA said that as he was traveling back to Houston, Texas, he lost control of the Nissan Pathfinder, causing him to crash with an oncoming vehicle. VILLANUEVA added that he had previously transported UIs a few weeks prior and was paid \$1000 US dollars per person on that occasion.

Based upon the information set forth above, there is probable cause to believe that VILLANUEVA committed the offense of Transportation of Illegal Aliens Resulting in Death in

violation of Title 8 United States Code, Section 1324 (a)(1)A)(ii)/(B)(iv).
